Terms and Conditions of Sale

The sale of products and services ("Products") by Giza Technologies, Inc. ("Giza") are subject to these terms and conditions ("Agreement") regardless of other or additional terms or conditions that conflict with or contradict this Agreement in any purchase order, document, or other communication ("Order"). Preprinted terms and conditions on any document of customer ("Customer") (for example: Orders or confirmations) and/or Giza's failure to object to conflicting or additional terms will not change or add to the terms of this Agreement.

1. ORDERS. Quotes from Giza are invitations to tender and are subject to change at any time without notice. All Orders are subject to acceptance by Giza. Contracts between Customer and Giza are formed upon Giza's written acceptance or execution of Customer's Order and shall be subject to this Agreement. All Orders including, but not limited to, Electronic Purchase Orders, for Products identified by Giza as non-standard or "NCNR", are non-cancelable, non-returnable. Giza may identify Products as non-standard or "NCNR" by various means including, but not limited to, quotes, Scope of Services, Products lists, attachments or exhibits. Customer may not change, cancel or reschedule Orders for standard Products without Giza's consent. Giza reserves the right to allocate the sale of Products among its Customers.

2. PRICES. Prices are subject to change at any time. Prices are for Products only and do not include taxes, shipping charges, freight, duties, and other charges or fees, such as fees for special packaging and labeling of the Products, permits, certificates, customs declarations and registration (collectively, "Additional Fees"). Customer is responsible for any Additional Fees.

3. TERMS OF PAYMENT. Payment of the total invoice amount, without offset or deduction, is due 30 days from the invoice date or as otherwise approved in writing by Giza. On any past due invoice, Giza may charge (i) interest from the payment due date to the date of payment at 18% per annum, plus reasonable attorney fees and collection costs; or (ii) the maximum amount that is allowed under the applicable law if Giza's interest rate is deemed invalid. At any time, Giza may change the terms of Customer's credit, require financial data from Customer for verification of Customer's creditworthiness, require a bank guarantee or other security, or suspend any outstanding Orders of Customer. Giza may apply payments to any of Customer's accounts. If Customer defaults on any payment under this Agreement, Giza may reschedule or cancel any outstanding delivery and declare all outstanding invoices due and payable immediately. Unless otherwise provided by applicable law, any credit issued by Giza to Customer in respect of any of Customer's accounts will expire if unused for twelve (12) months following the date of issuance of such credit.

4. DELIVERY AND TITLE. Unless otherwise specified by Giza in writing, all deliveries by Giza are EXW Giza's warehouse (INCOTERMS 2010). Title shall pass to Customer upon delivery of the Products to the carrier. Giza's delivery dates are estimates only and subject to timely receipt of supplies by Giza. Giza is not liable for delays in delivery. Giza reserves the right to make partial deliveries and Customer will accept delivery and pay for the Products delivered. A delayed delivery of any part of an Order does not entitle Customer to cancel other deliveries.

5. GIZA'S LIMITED WARRANTY. Giza will pass through to Customer any transferable Product warranties, indemnities, and remedies provided to Giza by the manufacturer, including any warranties and indemnities for intellectual property infringement. If required by law, Giza warrants that at the time of delivery, the Products shall have the specifications stated by the manufacturer in its published data sheet for the Products for 12 months from delivery of Products. Giza warrants that for a period of 90 days after delivery of the Products to Customer, value-added work performed by Giza on Products will conform to Customer's specifications that are in writing and accepted by Giza, and Customer shall be deemed the manufacturer of such value-added Products. To the extent permitted by law, Giza makes no other warranty, express or implied, such as warranty of merchantability, fitness for purpose or non-infringement. Customer's sole remedies for breach of Giza's warranty are, at Giza's choice: (i) repair the Products; (ii) replace the Products at no cost to Customer; or (iii) refund Customer the purchase price of the Products.

6. PRODUCT RETURN. Customer may return Products to Giza only with a return material authorization ("RMA") number issued by Giza. Customer must notify Giza in writing of any damage to the outer packaging or the Products, shortage, or other discrepancy ("Visual Defect") within 25 days after receipt of the shipment; otherwise, Customer is deemed to have accepted the Products and may not revoke acceptance. RMAs will be issued only for Visual Defects created solely by Giza or the original manufacturer, and only if Customer satisfies the notice requirement. RMAs will not be granted for damage, shortage, or other discrepancy created by Customer, the carrier or freight provider, or any other third party. Product return pursuant to a warranty requires written notice from Customer to Giza within the warranty period detailing the Product defect. Customer must return the Products to Giza freight prepaid in original manufacturer's shipping cartons or equivalent, along with acceptable proof of purchase, within the warranty period and as specified in the RMA. At Giza's discretion, Giza will return all Products not eligible for return to Customer, freight collect, or hold Product for Customer's account at Customer's expense.

7. LIMITATION OF LIABILITY. To the extent permitted by law, neither Giza nor its employees or agents are liable for and Customer is not entitled to any indirect, special, incidental or consequential damages (for example, loss of profits or revenue, loss of data, loss of use, rework, manufacturing expense, injury to reputation, or loss of Customers). To the extent permitted by applicable law, Customer's recovery from Giza for any direct damages will not exceed the price of the Product at issue. To the extent the preceding limitation of liability is deemed invalid under applicable law, Giza's total liability in any event will not exceed USD 5,000 or the equivalent thereof. Customer will indemnify, defend and hold Giza harmless from any claims based on: (i) Giza's compliance with Customer's designs, specifications, or instructions, (ii) modification of any Product by anyone other than Giza, or (iii) use of Products in combination with other products or in violation of clause 9 below.

8. FORCES BEYOND GIZA'S CONTROL. Giza is not liable for failure to fulfill its obligations under this Agreement due to causes beyond its reasonable control (for example: acts of nature, acts or omissions of the Customer, operational disruptions, man-made or natural disasters, epidemic medical crises, materials shortages, strikes, criminal acts, delays in delivery or transportation, or inability to obtain labor or materials through its regular sources).

9. USE OF PRODUCTS. Customer shall comply with the manufacturer's or supplier's Product specifications. Products are not authorized for use in critical safety or other applications where a failure may reasonably be expected to result in personal injury, loss of life, or serious property damage. If Customer uses or sells the Products for use in any such applications or fails to comply with the manufacturer's Product specifications, Customer acknowledges that such use, sale, or non-compliance is at Customer's sole risk.

10. EXPORT/IMPORT. Certain Products and related technology and documentation sold by Giza are subject to export control laws, regulations and orders of the United States, the European Union, and/or other countries ("Export Laws"). The Customer shall comply with such Export Laws and obtain any license, permit or authorization required to transfer, sell, export, re-export or import the Products and related technology and documentation. The Customer will not export or re-export the Products and related technology and documentation to any country or entity to which such export or re-export is prohibited, including any country or entity under sanction or embargoes administered by the United Nations, U.S. Department of Treasury, U.S. Department of Commerce or U.S. Department of State. In accordance with FAR 12.211, Customer will receive only those rights in technical data customarily provided to Giza by the manufacturers. By no means will this be interpreted as providing to Customer unlimited rights in data, software, or intellectual property rights provided by the manufacturers or any other third
